BAROQUE IN TOW: ROUTE 66

Route 66 is more than just a highway. Along this storied route was born the cultural history of our nation, as people from all walks of life settled along Route 66, bringing with them their families and their dreams, and their music.

From places as distant from each other as Scotland and Peru, communities sprang up along the "Mother Road" and began to meld together a vast array of melodies and musical instruments which **Go for Baroque** explores and celebrates in one of its most popular programs. This is an entertaining and heart-warming evening of eclectic tunes which have come to make up the American soundtrack.

Featured during the evening will be everything from treasured works to whimsical tunes in keeping with **Go for Baroque's** acclaimed reputation for presenting serious music in an entertaining manner.

Travel with this gifted ensemble along the main street of America with music brought over by those who settled this land. From the German origins of J.S. Bach to traditional fiddle tune Ashokan Farewell, and Foster's Ladies, prepare to get more than your share of kicks on this musical tour of Route 66!

Go for Baroque is listed on the Touring Program of the Oklahoma Arts Council and the regional Mid-America Arts Alliance Touring Artist Roster. (Performance date, location, tickets, etc.) For more information, visit goforbaroque.org or call 405-840-0278.
